

Interested in becoming a Certified Nursing Assistant?

Providence has you covered!

With the Earn to Learn Program you get paid to work and go to school while pursuing a career in direct patient care.

Candidates will be hired as entry-level Patient Care Technicians within the Providence St. Vincent Float Pool and Providence will pay for their time and education to become a Certified Nursing Assistant. CNA1 classroom and clinical hours will be paid at your Patient Care Technician hourly rate and your work schedule will be adjusted to accommodate your educational requirements.

Details:

- **Interview dates:** Flex around your schedule, starting 4/1/24
- **Start dates:** Starting cohorts in June, July, and August
- **Hiring requisition number: *Not available yet***
- \$3,000 referral bonus available to Providence caregivers who refer an external candidate that gets hired!

What does Providence offer?

- CNA1 education and exam completely paid for
- Competitive starting wages for PCT and CNA1
- Hiring bonus for eligible participants
- Comprehensive benefits
- Career growth and development beyond CNA with our Providence Tuition Assistance Program!
