

## **Providence Home Services (Home Care & Hospice) Student Information**

### **General Information**

Home Services follows all the general policies & guidelines used at inpatient facilities, so please remember to wear your student badge and avoid wearing fragrances. You will not be using Epic, Pyxis, Accucheck or any other type of glucose monitor during this rotation.

### **Home Services Takes Nursing Care To The Patient:**

- Students who do Home Health, Hospice, or Home Infusion rotations must have their own car and it should be in good working condition.
- When you attend clinicals with Providence Home Services, you will be driving to patient's homes to join the clinician in providing one on one care and will be assigned a preceptor.

### **Dress:**

- You can wear School scrubs or business casual street clothes (no jeans or t-shirts with graphics/writing) and close toed shoes.
- Bring your stethoscope.

### **Dining**

- Some nurses eat at local restaurants; others bring their lunch & eat in the field.
  - Bring a lunch the first day and then you can find out your preceptor's preference for meals."
